**One day "Conference on Ethanol as Transport Fuel"**

As you are aware that the "Block Year 2017-19" is estimated to have an excess sugar production which is feared to put pressure on sugar realisation pushing the sugar sector into financial stress.

One of the way to safeguard the sugar sector is to ensure that Ethanol becomes a profit centre, which would help sugar sector to tide over the prospective crisis.

On this background, we inform you that an important seminar is scheduled to be held on Friday 24<sup>th</sup> November, 2017 at Pune in august presence of Hon'ble Shri Sharad Pawar, Hon'ble Shri Nitin Gadkari and Hon'ble Shri Dharmendra Pradhan.

The brochure of the seminar alongwith delegate registration form is being attached for your detailed information.

You are requested to please depute delegates from your factory and avail benefit of the policy advocacy.

Thanks and regards

Yours faithfully,
